

## **Come and join the only CQC rated Outstanding private hospital in Kent**

Have you ever thought about working at Benenden Hospital? What makes our hospital so special you may ask? Is it the CQC Outstanding rated care that our patients receive from our staff, from the first contact they have to the day they complete their treatment or perhaps it's the proud history the hospital has of caring for people since 1907.

Since then our hospital has transformed into a modern, contemporary facility which delivers quality healthcare using the latest procedures and technologies with our teams and patients are at the heart of everything we do.

We have had a lot to celebrate too: our re-accreditation from JAG for our endoscopy unit, the investors in People "We invest in Wellbeing" silver rating and our growth and expansion of new treatments and services. All of this achieved through the input, team working and commitment of our staff.

We offer consultation, diagnostic tests and treatment for [self-pay](#), and [Private Medical Insurance patients](#), Benenden Health members and patients referred through [the NHS e-Referral service](#).

After the success of our first two recruitment events, we are delighted to be hosting our third face-to-face recruitment open morning on Saturday 24 September from 10am to midday at Benenden Hospital, Goddard's Green Road, Benenden TN17 4AX. The event will provide a first-hand insight into working at the hospital. Attendees will learn about our full-time and part-time vacancies in [nursing](#), [theatres](#), [diagnostic imaging](#), [non-clinical roles including housekeeping](#), as well as [Flexi-Bank](#) vacancies and the option of [volunteering](#). They'll also discover more about our benefits and rewards and the recruitment process.

Speakers on the day will include Claire Harley – Director of Patient Services, Ali Turner – Matron and Claire Coupe – Resourcing Officer. We will also have staff from across a variety of departments on hand to answer any questions and to talk through their roles.

There will be an opportunity to take a tour of clinical areas of the hospital such as Outpatients, Ward Area and Eye Unit. Providing potential employees with a feel of where they could be working and the calming environment our staff and facilities create for our patients.

Jane Abbott, Hospital Director, said: "I am so proud of everything we do at Benenden Hospital and would love you to find out more about us and potentially join our team. We are proud of our reputation as a safe, infection-free hospital, providing first-class treatment.

"Our experienced teams are passionate about delivering the best care to our patients and visitors. Our focus is always on delivering an excellent experience to anyone who visits our hospital.

“This in-person recruitment morning is a great opportunity to learn not only about Benenden Hospital’s history, but to hear first-hand from staff who are at the heart of the hospital, and who will give you the insight on what it is like to work at our CQC rated Outstanding hospital. It is a great opportunity to come and see the hospital for yourself and see what a wonderful place it is to work.

“We welcome applications from experienced clinical staff and non-clinical staff, including those returning to nursing after a career break or those who are just starting out in their careers. We want you to be part of our team and our future. So why not come along and take a look for yourself and potentially join the team. We look forward to welcoming you to our hospital. ”
